

## **Vita Dr. Annette Beller**

Dr. Annette Beller, 60, is a member of the Management Board and CFO at B. Braun Melsungen AG and is responsible for Finance, Taxes and Controlling as well as for Central Services IT, Logistics, Facility Services and Purchasing.

After studying business administration at the Georg-August University of Göttingen, she initially worked as a research assistant at the university's Institute of Accounting and Auditing, where she received her doctorate in 1989.

Dr. Beller then worked for six years at one of the Big Four auditing companies. During this time, she successfully passed the tax consultant and auditor examinations. In 1995, she joined B. Braun Melsungen AG as Director "Finance, Taxes and Accounting". In 2011 she was appointed to the management board.
