ECUADOR 2015 STRATEGIC INVESTMENTS

& ENAEP 2015 THE 10TH ANNUAL ENERGY AND OIL MEETING

QUITO 27 OCT 2015

"To invest in Ecuador is to invest for the future"

The Strategic Investment Forum 2015 under the 10th Annual Energy and Oil Meeting ENAEP, has as main objective to introduce to national and international investors in the following sectors: Mining, Hydrocarbons, Electricity, Telecommunications, Water Resources and Basic Industries, with an estimated investment of more than 37 billion dollars.

This space will allow investors to exchange experiences related to worldwide concerns and contribute to the projection of the new challenges and perspectives that the country has settled for the upcoming years.

It is our pleasure to invite you to participate in the construction of this new historical moment for Ecuador. We are confident that the dream that began in 2007 will continue thanks to the commitment of all of us because in Ecuador WE WORK FOR A BETTER FUTURE.
