### Import Promotion Desk showcases biological diversity at FIE and HIE 2021

The initiative for import promotion presents exceptional herbs, spices, essential oils and plant extracts from developing countries and emerging nations

**Meet IPD evaluated exporters from seven countries!**

**Visit the IPD stand 41A90!**

With a variety of products highlighting the biodiversity of selected developing and emerging nations, the Import Promotion Desk (IPD) will be exhibiting this year at Food Ingredients Europe (FIE) co-located together with Health Ingredients Europe (HIE). Exceptional herbs, spices, essential oils and plant extracts will be presented by the 14 companies from the IPD programme at the 2-in-1 trade fair taking place in Frankfurt from the **30<sup>th</sup> of November to the 2<sup>nd</sup> of December** and also virtually from the 22<sup>nd</sup> of November.

The IPD companies offer high-quality and innovative products from their home countries:

- + **Various essential oils** such as patchouli, eugenol, nutmeg from Indonesia and Sri Lanka
- + **Powder and emulsion-like extracts** from Colombia for cosmetic products
- + **Mangold, parsley, passion fruit or mango extracts** from Ecuador
- + High-quality **spices, seeds & dried fruits** from Indonesia, Sri Lanka, Ethiopia and Ghana
- + **Dried herbs and blossoms** from Egypt and Ukraine
- + and much more.

All information about the IPD partners and their offer can be found in the PDF brochure, which is available [for download here](#)
