

Special hotel rates for the participants of the Latin America Day 2024 in Hamburg

We have reserved the following room allotments in the hotels listed below. These special rates apply to the reservations made between **5th and 8th of November 2024**. Please make your reservation using the corresponding keyword (can be found further down). Note the cancellation conditions and keep in mind that a valid credit card is required to guarantee the booking.

The room prices are in Euro, incl. VAT, breakfast and WLAN, per room, per night. The culture tax also applies to business stays and varies depending on the room rate from 4-8 EUR per room, per night. This is not included in the rates (except for Novotel Central Station) and has to be paid by the guests directly at the hotel.

Since there is only a limited number of rooms that were pre-booked for the congress participants till end of September and many other events will take place in Hamburg at the same time, we recommend to book as soon as possible. Cancellations can be done for free up to a few weeks/days in advance according to the hotel's regulation (see below).
