

Latin America Food Security and Sustainability

Latin America's contribution to food security and ways to improve sustainability

Friday, 17th January 2020, 9:30 am – 11:00 am, Berlin
12. Global Forum for Food and Agriculture (GFFA)
„Food for all! Trade for Secure, Diverse and Sustainable Nutrition “
CityCube Berlin, Messedamm 26, 14055 Berlin, Room M1

Language: English only

What are the recent experiences, points of view and perspectives of Latin American stakeholders (ministries and producers)? What are the actual perspectives, framework and challenges? And what do they expect from public policies? We will discuss these and further questions with experts considering business reality.
