Dear LAV-Young Professionals,

After our successful LAV-Young Professionals Summer Meeting in Frankfurt am Main, we now want to get together for a second summer meeting, this time in Hamburg. We will meet on **August 22nd from 6 pm** on the roof terrace of the art studio Jupiter (address: Mönckebergstr. 2-4, 20095 Hamburg) near the main train station: <https://www.jupiter.hamburg/>

The bar is located on the 6th floor and you have to go all the way up through the shopping center. Enjoy a nice After-work evening on the rooftops of Hamburg, with a drink, something to eat and relaxed record music.

This event is at self cost base.

Please let me know via email if you want to participate: m.bigdely@lateinamerikaverrein.de

Looking forward to seeing you there!

¡Saludos!
