a webinar about sustainable growth

The Association of German Chambers of Commerce and Industry (DIHK) and the Association for Latin America (LAV) invites you to participate in a **Webinar about sustainable growth in Honduras**.

After being severely hit by two devastating Hurricanes, Honduras has ambitious plans to recontract its economy in a sustainable and effective way.

We would like to invite you to our Webinar on opportunities for sustainable growth in Honduras. Please register via e-mail at event-international@dihk.de. The participation is free of charge, the languages are English and Spanish.

We look forward to an interesting event about Honduras and its business opportunities:
